The Glendale Evening News Is Your Paper—Its Interests Are Yours

It is a local paper devoted to the welfare of Glendale, a paper which has ever sought to build up the home community, a paper which has a real, vital, undivided interest in this city.

For this reason we have been able to build up a phenomenal local advertising patronage and a large list of voluntary paid subscribers.

The home paper is the best advertising medium. Glendale business and professional people are using our columns with good results.

Phone Glendale 132 and our advertising expert will call upon you.

Glendale Evening News

139 S. Brand Blvd.

To Merely Say:—

We Do Printing—

Means little—as there are many small shops that do printing of a "sort."

But to firms who believe that "Anything Worth Printing Is Worth Printing Well" we offer a really satisfactory service.

We are equipped with a battery of four Linotypes, Platen Job Presses, Meihle Book Press, Duplex Press, a wonderfully complete line of type faces and illustrations—and are able to efficiently handle any job from a card to a book—or from a handbill to a newspaper.

No slipshod typesetting, no careless presswork is tolerated. Every piece of work is handled promptly with intelligence and skill.
